TABLES DERIVED

Strong favourites (70%+)

One side at or above the threshold, on at least some real results. A call built purely on the league baseline is an artefact of the prior, not a read on the game.

How to read this

dots How much rests on these teams' own results: three dots = 5+ games each, none = league baseline.

Line-ups, injuries and suspensions are not in this model — the feed does not carry them.
